I hereby authorize ASI to send my flexible spending account reimbursement notifications and periodic account statements by electronic mail (e-mail) instead of U.S. mail. This option is only available to me if I receive my reimbursements via direct deposit. Neither my social security number nor my bank account number will be included in these notifications and statements. While ASI will take all reasonable precautions, ASI cannot guarantee the confidentiality of e-mail sent via the Internet. I agree to hold ASI and my employer harmless for inadvertent release of this information.
